

general assembly paper publication

In connection with the conference, the ESA will hold its general assembly at the end of the first day (Thursday) starting at 19.30 in Room 01 of the conference venue. In addition to informing ESA members about current matters and announcing the location of the ESA2018 conference, one new member to the executive committee will be elected in the assembly. All members are very welcome to take part in the assembly!

All the papers presented at the conference are eligible for publication in the ESA Proceedings. The editors will contact the speakers with guidelines and timetable soon after the conference.

If you need a certificate of your attendance at the conference, please contact either the ESA secretary Kalle Puolakka (kalle.puolakka@helsinki.fi) or ESA treasurer John Zeimbekis (zeimbekis@upatras.gr).
