

International workshop on

Grammatical gender and ‘natural’ gender: Mappings and mismatches

Freie Universität Berlin, 1 & 2 June 2023

Participant(s) (alphabetical order of surnames)/affiliation(s)/title:

Xavier Bach (Trinity College, Oxford): *Typologizing ‘natural’ gender in actual gender systems*

Francesca Di Garbo (Aix-Marseille University/CNRS Parole et Langage) & **Annemarie Verkerk** (Saarland University): *Animacy-based semantic agreement and the evolution of gender systems: a Bantu study*

Luise Esher (CNRS-LLACAN): *Preconditions for non-binary agreement within the binary gender system of French*

Sebastian Fedden (Ludwig-Maximilians-Universität München/Université Sorbonne Nouvelle Paris): *Natural and grammatical gender: mappings and mismatches in New Guinea languages*

Sascha Gaglia & Valentina Ibba (Freie Universität Berlin): *Grammatical vs. natural gender in Italian participle agreement with polite pronouns: an experimental approach*

Vera Gheno (Università degli Studi di Firenze): *“We don’t need no other genders”: Italian language and the ongoing discussion on inclusive language*

Marie-Claude Marsolier (CEA Saclay & CNRS Éco Anthropologie), **Marc Allasonnière-Tang** (CNRS Éco Anthropologie) & **Priscille Touraille** (CNRS Éco Anthropologie): *A gender-blind French for both natural and grammatical gender*

Tania Paciaroni (Ludwig-Maximilians-Universität München): *Gender-denoting patterns of word formation in Italo-Romance*

Markus Steinbach (Georg-August-Universität Göttingen): *The (discourse) semantics of gender and R-loci in German and German Sign Language*

Olga Steriopolo (ZAS Berlin) & **Christin Schütze** (Philipps-Universität Marburg): *A sociolinguistic investigation into referential means in German using feminine epicene nouns in comparison with masculine generic nouns*

Yvonne Treis (CNRS-LLACAN): *Gender in Kambaata (Cushitic)*

Bernhard Wälchli (Stockholm University): *Gender as a parasitic grammatical category type: evidence from person name marker gender languages*

Marine Wauquier (Université Sorbonne Nouvelle Paris) & **Olivier Bonami** (Université Paris Cité): *Social gender and the structure of the French derivation system*

Schedule

	Thursday 01/06/23	Friday 02/06/23
