THE AHMADIYYA MUSLIM COMMUNITY

The Ahmadiyya Muslim Community was founded in 1889 by Hazrat Mirza Ghulam Ahmad (peace be upon him) of Qadian, India. He claimed under Divine guidance to be the Promised Messiah and Imam Mahdi, whose advent was awaited by the major religions of the world. He divested Islam of false, fanatical teachings, revived the true and peaceful teachings of Islam and inspired his followers to build a strong bond with God through humble and compassionate service to humanity.

Hazrat Mirza Ghulam Ahmad, (peace be upon him)

The community is now established in more than 207 countries, spearheading an international effort to promote the true message of Islam. It also leads a global peace campaign to champion respect and human rights for all. The UK chapter of the community was established in 1913 and now has over 130 branches, making it one of the oldest established Muslim communities in the UK.

KEYNOTE SPEAKER: THE KHALIFA OF ISLAM

His Holiness, Hazrat Mirza Masroor Ahmad, Khalifatul Masih V (may Allah be his helper), is the fifth successor (Caliph) of the Promised Messiah (peace be upon him). His divinely-guided leadership provides mankind at large with spiritual direction, and the community specifically with purpose, unity and inspiration. His Holiness frequently meets with parliamentarians and heads of state and has delivered keynote addresses advocating Islam's message of peace and condemning all forms of extremism, from Capitol Hill and the EU Parliament to the Dutch and UK Parliaments.

His Holiness has frequently warned world leaders of the lack of justice in international relations. At the 2018 National Peace Symposium, his Holiness stated:

"Everyone appreciates that the world stands in great need of peace and harmony, yet despite comprehending this, it seems as though people are unwilling to take the necessary steps to achieve it. Regrettably, in many parts of the world, far greater priority is being given, either directly or indirectly, towards asserting dominance and supremacy over others and satisfying a craving for power and authority."
